NEEDS/PROBLEMS/COMMENTS, continued:

7. Proposed order does not comply with Local Rule 7.6.1, which provides that orders settling accounts and distributing property shall contain a statement as to the balance of the estate on hand, specifically noting the amount of cash included in the balance, and that orders shall be drawn so their general effect may be determined without reference to the petition on which they are based. Specifically, the proposed order does not describe with particularity the real property (including the APN), investment funds, mineral interests, etc. to be distributed, nor does it state the monetary distributions in dollars rather than as a percentage of the estate, as required by Local Rule 7.6.1(A) and (C). Need revised proposed order.

Declaration for Apportionment of Statutory Compensation per Rule 7.704 filed by Attorney Christopher C. Jones on 4/16/2012 states:

- He makes his declaration in support of his request that attorneys' fees be apportioned in the above matter pursuant to CA Rule of Court 7.704;
- On 4/6/2011, Elizabeth Berlese (Petitioner) met with him at his office after making an appointment with him, to hire him as her counsel in the probate of her mother's estate;
- He recalls they had a conference call with Elizabeth Berlese's sister, Margaret Berlese, who is also a licensed attorney and now serves as attorney for Elizabeth Berlese, and who is also one of two primary beneficiaries of this estate, and they discussed the terms of his compensation in this matter;
- Margaret Berlese asked him if he was willing to perform the necessary legal services on an hourly basis rather than for statutory compensation;
- He agreed to work for the hourly rate of **\$325.00** and requested of Elizabeth Berlese that she advance costs of **\$750.00** to cover the anticipated costs of the filing fee and publication of notice of administration; on 4/11/2011, he received a **\$750.00** check from Elizabeth Berlese as an advance for costs;
- On 4/7/2011, he prepared the initial pleadings to start the probate, including the petition, order for probate, notice of administration, duties and liabilities, and testamentary letters; all of these documents were forwarded to both of the Berlese sisters for review and signatures; after certain revisions to the forms, Elizabeth Berlese signed the forms and returned them to my office for filing; he filed the original documents with the Court and paid the filing fee from the funds on deposit with him;
- On 4/28/2011, his office sent a statement to Elizabeth Berlese showing the amount of time he expended in preparing the various pleadings filed with the Court;
- On 5/4/2011, he received an email from Margaret Berlese in which she objected to his preparing the pleadings in this action, and demanding to know why his paralegal did not prepare them; secondly, she objected to his charging the agreed upon hourly rate of **\$325.00** as she held the opinion that "filling out the forms is not difficult; it doesn't require a legal education or degree;" she then said that she was taking over the job of legal counsel in this probate matter, and that he should forward the pleadings to her;
- He responded to Margaret Berlese that he had already filed the petition on 4/29/2011 and that the Court had set a hearing date [6/9/2011]; *(please refer to copies of email correspondence attached as Exhibit A; Note: Margaret Berlese goes by the name Peggy Berlese in the correspondences);*
- On 6/10/2011, he received an email from Elizabeth Berlese (Petitioner) in which she demanded that he return to her the **\$750.00** retainer he had previously received; he responded by saying that he was not willing to advance the costs in this matter, and was retaining the remainder of the advance *(please refer to copies of email correspondence attached as Exhibit B; Note: Elizabeth Berlese goes by the name Beth Berlese in the correspondence);*

~Please see additional page~

Attorney Jones' Declaration for Apportionment of Statutory Compensation, continued:

- In March 2012, his office checked the civil register and learned that Margeret Berlese filed a petition for distribution; he was not served with a copy of that petition; he prepared a request for special notice which he served and filed in this matter; he thereafter received an email from Margaret Berlese in which she acknowledged that she filed the petition, that the hearing was set for 4/17/2012, and that her sister had served him with the notice of hearing and petition "a day or two ago;"
- On 3/27/2012, a copy of the **initial Petition for Probate** [*emphasis in original*] which he had filed on behalf of Elizabeth Berlese in 2011, along with the notice of hearing for the 4/17/2012 petition, were hand-delivered to his office;
- When he recognized that a copy of the wrong petition was provided, he immediately advised Margaret Berlese and requested it be replaced by a copy of the correct petition (*please refer to copies of email correspondence attached as Exhibit C;*)
- Despite assurances from both the Executor and the attorney for the Executor that the correct petition would be forthcoming, the actual *Petition for Final Distribution on Waiver of Account and Request for Determination of Attorney Fees* which is the subject of the hearing [on 4/17/2012], was not received until hand delivery occurred on 4/11/2012; [*Note: The hearing on the Petition for Final Distribution was continued from 4/17/2012 to 4/30/2012 per the request of Attorney Margaret Berlese; Attorney Christopher Jones had filed this Declaration on 4/16/2012;*]
- Because of the failure to provide the petition as repeatedly requested and as represented to the Court under penalty of perjury on the proof of service, he directly wrote to the Court clerk's office by U.S. Mail, forwarded his personal check for **\$8.00**, and obtained a copy of the petition from the Court directly before it was ever provided to him by the Executor and her attorney;
- As counsel for her sister, Margaret Berlese has not complied with Rule 7.704(b) regarding service of the notice and petition to former counsel;
- He has expended a total of **\$427.01** in costs, leaving a deposit of **\$322.99**, which he requests be allowed to expend against legal fees in this matter, as reflected on his statements sent to Elizabeth Berlese (*attached as Exhibit D*);
- He is still owed **\$1,992.01** after applying the balance of the deposit from the Executor;
- **He requests the Court apportion fees by awarding him the hourly fees that he billed as agreed with his client.**

Note: Attorney Christopher Jones' billing statement is itemized for services from 4/7/2011 through 4/26/2011 indicating 5.90 hours total, .30 hours of which are billed at the paralegal rate of \$150.00/hour and the rest of which are billed at the attorney rate of \$325.00/hour. The total billed amount is \$1,865.00, plus costs of \$4.41, for a total billed sum of \$1,119.41. Local Rule 7.17(B) provides that photocopy and postage expenses are considered part of the cost of doing business and are not reimbursable, except in cases falling within 7.17 (C) when more than ten people are entitled to notice (which does not apply here), these costs are allowable subject to the Court's discretion. Taking into account these non-reimbursable costs of \$4.41, the amount owed Attorney Jones based upon his billing statement calculates as **\$1,115.00** (*\$1,865.00 less \$750.00 paid.*) Examiner is unable to determine the calculation for the result of \$1,992.01 requested by Attorney Jones as the remaining balance owed based upon his billing statement.

Note: The Court set a status hearing on 8/15/2012 for the filing of the petition for final distribution, which has been vacated due to the filing having been made.

Petitioner states, continued:

- Upon Ernest's death in 2003, the **Ernest Trust** was divided into 2 sub-trusts, the Marital Trust ("**Survivor's Trust**") and Family Trust ("**Decedent's Trust**"); pursuant to the terms of the **Ernest Trust**, 50% of the shares of the Drummond Co. were held in Decedent's **Trust** after Ernest's death;
- Pursuant to the **Ernest Trust**, Petitioner is currently the acting Trustee of both the Survivor's **Trust** and Decedent's **Trust**, with the principal place of administration of both trusts being in Fresno County;
- On 8/11/2005, Loretta created the **LORETTA M. DRUMMOND "S TRUST"** ("**S Trust**") (*copy attached as Exhibit C*); *Schedule A* to the **S Trust** identifies 27,000 shares of the Drummond Co. as property of the **S Trust**, and the terms of this trust permit the subsequent addition of property to the trust;
- At the time of the **S Trust** creation, Loretta and Janette (Respondent) knew and/or through the exercise of reasonable care should have known that up to ½ of the 27,000 shares of the Drummond Co. stock were assets of the irrevocable **Decedent's Trust**;
- On 3/1/2007, Loretta amended the distribution scheme of the **S Trust** to provide for equal shares of the trust estate to be distributed to all seven of the Drummond children (*copy of First Amendment to the S Trust attached as Exhibit D*); [*Examiner's Note: While ¶ 11 of the Petition states the amendment to the S Trust provided for equal shares of the trust estate to be distributed to "all seven" children, it appears from the copy of the First Amendment to the S Trust that distribution of the trust property was to be made to Janette Burch, David A. Thomas, Joann E. Dawson and Sandra L. Thompson only.*]
- Pursuant to the **S Trust**, Janette Burch Courtney is the acting trustee of the **S Trust**, and the principal place of its administration is **Cincinnati, OH**;
- During Ernest's life, Petitioner worked at the Drummond Co. and while doing so acquired a **10% interest** in the company from Ernest and Loretta with the understanding and promise that he would inherit control of the Drummond Co. upon Ernest's death; Petitioner believed he would receive the additional shares of the Drummond Co. necessary for control from a trust established by Ernest;
- Upon Ernest's death, Petitioner was informed by Janette that Ernest had never established the trust he expected and she stated Ernest had attempted to establish a trust but that the trust did not actually exist because it had never been funded;
- Despite repeated requests to both Loretta and Ernest, Petitioner was unable to obtain a copy of the **Ernest Trust** from Janette until after Loretta's death;
- Although Petitioner believed that Ernest and Loretta had intended to leave the Drummond Co. to him upon Ernest's death, Janette indicated that because the shares in the Drummond Co. were held in joint tenancy between Ernest and Loretta, Loretta had become the owner of **90%** of the shares of the Drummond Co. through right of survivorship and was free to place those share into the **S Trust**;
- Janette, as Trustee of the **S Trust**, called a meeting of the shareholders of the Drummond Co. and by voting the shares of the Drummond Co. held in the **S Trust** and by acting as a majority shareholder, Janette removed Petitioner as an officer of the Drummond Co. and installed herself as president of the company;
- Petitioner subsequently left the employ of the Drummond Co., and after his departure, Janette offered to buy Petitioner's **10%** interest in the Drummond Co., demanding that Petitioner waive any interest in the Drummond Co. under both Ernest's and Loretta's estate plans, claiming that such waiver was necessary because there was a possibility she would sell the company and potential buyers might offer a lower price if they believed a conflicting claim to the company existed; in order to ensure Petitioner accepted her offer, Janette also raised a number of potential claims that the Drummond Co. could have against Petitioner and his wife, **MELANIE THOMAS**, at the time related to their tenures as employees of the Drummond Co.;
- A *Settlement Agreement Regarding Disputed Legal Matters* (*attached as Exhibit E*) was entered into by Petitioner, his wife, Janette, Loretta, the Drummond Co. and **SAUNDRA SOUSA**, Loretta's sister and the person who had actually been operating the Drummond Co. during Janette's tenure as president; the *Settlement Agreement* pertained to the various claims held or potentially held by the parties;
- Petitioner believes that as part of the settlement contemplated by that agreement, Petitioner and Janette also executed a stock purchase agreement that transferred Petitioner's **10%** interest in the Drummond Co. to Janette as Trustee of the **S Trust**; in the stock purchase agreement, Janette warranted that "Buyer has full power and right to enter into this Agreement and to purchase Seller's interest in the company;" Loretta signed the agreement as the owner of the Drummond Co. (*copy of stock purchase agreement attached as Exhibit F*);

Petitioner states, continued:

- In June 2011, Petitioner was finally able to obtain copies of the **Ernest Trust** and its *First Amendment*; Petitioner was unaware until that time that the claims set forth in the *Petition* existed or were legally supported;
- After reviewing the **Ernest Trust** and its *First Amendment*, Petitioner first learned that upon the death of Ernest, Petitioner should have become a vested remainder beneficiary in a majority of the shares of the Drummond Co. despite Janette's statements and Loretta's actions to the contrary;
- Petitioner will file contemporaneously with this petition a complaint for damages and rescission in Fresno County Superior Court on the basis of these same facts. [Note: Civil case filed 12/29/2011 in Case #11CECG04320; first amended complaint filed 1/25/2012.]

Petition requests the Court determine the validity of the Ernest Trust on the following additional bases:

- Petitioner believes Ernest and Loretta executed the **Ernest Trust** and its *First Amendment* so as to ensure that all of their shares in the Drummond Co. distributed to Petitioner upon the death of the survivor of the two;
- Petitioner further believes that despite the fact that the shares were held in joint tenancy between Ernest and Loretta until Ernest's death, the declaration contained in the **Ernest Trust** that Ernest and Loretta "hereby transfer and deliver to the Trustees and their successors the property listed in Schedule A" was sufficient to fund the **Ernest Trust** pursuant to Heggstad because **100%** of the Trustors' shares of the Drummond Co. were listed in *Schedule A*;
- Petitioner asserts that the **Ernest Trust** and the *First Amendment* thereto are valid, binding, and enforceable trust instruments.

Petition requests the Court determine the [in]validity of the S Trust on the following additional bases:

- Petitioner believes the **S Trust** was executed in August 2005, after Ernest's death;
- **Improper funding:** Petitioner believes that due to the operation of the **Ernest Trust** and its *First Amendment*, Loretta did not have possession of or legal title to the 27,000 shares listed in *Schedule A* of the **S Trust**;
 - Petitioner believes that due to the operation of the **Ernest Trust** and its *First Amendment*, 100% of the shares of the Drummond Co. were set aside to be distributed to Petitioner free of trust upon the death of Loretta;
 - Ernest had often told Petitioner and his siblings, including Janette, that Petitioner would receive control of the Drummond Co. upon his death;
 - Because Loretta did not have possession of or legal title to the 27,000 shares listed in *Schedule A* to the **S Trust**, the **S Trust** and/or Janette as Trustee of the **S Trust** never acquired possession of or legal title to any of the Drummond Co. shares owned by the **Ernest Trust**; because the **S Trust** was never funded with shares in the Drummond Co., the **S Trust** is invalid insofar as it purports to control the distribution of any shares in the Drummond Co.;
- **Undue Influence:** Petitioner believes that the entirety of the **S Trust** is invalid because Loretta executed the **S Trust** as a result of undue influence on the part of Janette;
 - Petitioner believes that Janette and Loretta were in a confidential relationship because they were mother and daughter, because Janette principally handled her mother's affairs, and because Janette had a durable power of attorney over Loretta at that time;
 - Petitioner believes that Loretta was susceptible to undue influence because she suffered from acute alcoholism and was frequently intoxicated or suffering from the effects of alcohol withdrawal;
 - Petitioner believes Janette was active in the procuring of the **S Trust** because Janette was principally in charge of Loretta's affairs, and because, due to Loretta's intoxication or other illness, Loretta could not have driven herself to an attorney's office, secured her own transportation, or otherwise interacted with an attorney without Janette's assistance;
 - Petitioner believes Janette unduly benefitted under the terms of the **S Trust** because the **S Trust** allowed for Janette to vote Petitioner off of the board of the Drummond Co. and to install herself as president of the company, reaping the benefits of that position; in addition, had the **S Trust** never been executed, the shares of the Drummond Co. would have been distributed to Petitioner pursuant to the intent of both Loretta and Ernest.

Petition for Relief under Probate Code § 850 Against Janette Burch Courtney as Trustee of the S Trust:

- Petitioner believes that Janette is in possession of either shares of the Drummond Co., proceeds from the sale of shares of the Drummond Co., or some combination thereof;
- Petitioner believes that those shares or the proceeds from the sale thereof are properly the property of the **Ernest Trust** and/or Petitioner acting as Trustee of the **Ernest Trust**;
- Petitioner seeks an order of the Court that Janette Burch Courtney transfer to Petitioner or otherwise hold in constructive trust for Petitioner any shares of the Drummond Co. and/or any funds derived from the sale of any and all funds and assets Janette has wrongfully removed from the Drummond Co.

Petition to Compel Trustee to Account and Report Against Janette Burch Courtney as Trustee of the S Trust:

- Petitioner alleges there is sufficient basis to compel Janette to render a complete account and report of her administration of the **S Trust** for the period of 8/11/2005 to the present, including the activities of the Drummond Co.;
- Petitioner requests the Court order Janette to include in her account and report her administration of any shares in the Drummond Co.

Petition for Financial Elder Abuse Against Janette Burch Courtney, individually and as Trustee of the S Trust:

- At all times relevant to this action, Loretta was aged 65 or older;
- Loretta created the **S Trust** with Janette's assistance and at Janette's direction; absent Janette's conduct, Loretta would not have so acted;
- Petitioner alleges that through Janette's assistance and by Janette's direction, 27,000 shares in the Drummond Co. were effectively put at Janette's disposal; Janette knew or should have known that her assistance in taking, secreting, misappropriating, obtaining, and/or retention of Loretta's property was likely to be harmful to Loretta, and that, by depriving Loretta of her shares, her conduct did in fact cause Loretta harm;
- Petitioner alleges that Janette's conduct constituted financial abuse under Welfare & Institutions Code § 15657.5 as defined in Welfare & Institutions Code § 15610.30.

Petitioner prays for an Order from the Court finding that:

1. The **Ernest Trust** is a valid and enforceable declaration of trust;
2. The *First Amendment* to the **Ernest Trust** is a valid and enforceable amendment to the **Ernest Trust**;
3. Any provision of the **S Trust** that relates to or that purports to control the distribution of any shares of the Drummond Co. is invalid;
4. The entirety of the **S Trust** is invalid due to undue influence;
5. That Janette Burch Courtney, as Trustee of the **S Trust**, holds any shares of the Drummond Co. or any proceeds from the sale thereof in constructive trust for the benefit of Petitioner Dennis L. Thomas;
6. That Janette Burch Courtney, as Trustee of the **S Trust**, is ordered to immediately transfer any shares of the Drummond Co. or any proceeds from the sale thereof to Petitioner Dennis L. Thomas;
7. That Janette Burch Courtney, as Trustee of the **S Trust**, is ordered to file and serve a complete account and report of her administration of the **S Trust** for the period of 8/11/2005 to the present and return all funds and assets taken from the Trust and/or the Drummond Co.;
8. That Petitioner is awarded general damages in an amount according to proof;
9. That Petitioner is awarded special damages in an amount according to proof;
10. That Petitioner is awarded punitive damages in an amount sufficient to punish and deter similar conduct; and
11. That Petitioner is awarded costs and reasonable attorneys' fees.

Response to Petition to Determine Validity of Trust Instruments; to Determine Title to Property; to Recover Trust Property; to Compel Trustee to Account and Report; for Financial Elder Abuse; and Request for Abatement per Probate Code § 854 filed on 1/30/2012 by Contestant Janette Courtney, in her individual capacity, and in her capacity as Executor, and as Trustee of the Loretta M. Drummond “S” Trust, states:

- The *Petition* asserts various and serious allegations against her, most of which, if not all, are based upon allegations asserted on “information and belief” that are not sufficient evidence to support the relief granted in the *Petition*;
- Moreover, the *Petition* admits that Petitioner has also filed a civil action in Fresno County Superior Court (Case No. 11CECG04320) “on the basis of these same facts” as alleged in the *Petition*;
- Contestant cites the following: Pursuant to Probate Code § 854, the Probate Court, “upon request of any party to the civil action **shall abate the petition** until the conclusion of the civil action.” Pursuant to Probate Code § 856.5, the Court “may not grant a petition under this chapter if the court determines the matter should be determined by a civil action.” Pursuant to Probate Code § 852, any interested party may request a continuance to conduct discovery proceedings, or for other preparation for the hearing.
- The nature and complexity of the allegations set forth in the *Petition*, and the fact that almost all of the allegations are based upon “information and belief” not sufficient to support the granting of the *Petition* in any event, make it clear that these factual issues will be the subject of [extensive] and time-consuming discovery in the pending civil action;
- **Accordingly, Contestant requests that the Court deny the *Petition* pursuant to Probate Code § 856.5;**
- Given that the *Petition* admits Petitioner is seeking relief “on the basis of the same facts” as those alleged in the pending civil action, **Contestant requests that this Court abate this action and this *Petition* until the conclusion of the civil action pursuant to Probate Code § 854;**
- If the Court declines to abate or deny the *Petition* as requested above, **Contestant requests that the Court continue the hearing on the *Petition* for a minimum of 180 days pursuant to Probate Code § 852 to allow Contestant to conduct sufficient discovery to defend against the numerous and very serious claims that are currently all asserted simply upon “information and [belief].”**

Contestant requests:

1. The Court deny the *Petition* pursuant to Probate Code § 856.[5] on the grounds that the matter should be determined in the currently pending civil action;
2. Alternatively, and only if the Court declines to dismiss the *Petition* pursuant to Probate Code § 856.5, the Court issue an order pursuant to Probate Code § 854 abating the *Petition* until the conclusion of the civil court action;
3. Alternatively, and only if the Court declines to dismiss and/or stay the *Petition* pursuant to Probate Code §§ 856.[5] and 854 as prayed, the hearing on the *Petition* be **continued for a minimum of 180 days** [pursuant to Probate Code § 852] to allow Contestant to conduct discovery and otherwise prepare for the hearing.

Application for Order Shortening Time and Supporting Declaration
[Probate Code § 1203 and 17203]

Leonard Bill Arnold DOD: 2-10-12		NICHOLE ARNOLD and EVAN ARNOLD , are Applicants.	NEEDS/PROBLEMS/ COMMENTS: <p align="center"><u>SEE PAGE 2</u></p>
Applicants are the named residuary beneficiaries of the Leonard Bill Arnold Revocable Trust dated 4-19-05, Amended and Restated on 3-1-07. Should the trust dated 4-19-05, amended and restated on 3-1-07 as amended and restated on 4-5-11 be found to be invalid, Applicants will take the residual share of the trust estate pursuant to the 4-19-05 trust. Applicants are also the intestate heirs of the decedent if all trusts are found to be invalid.		Applicants' Petition for Orders Determining Validity of Purported Trust, Imposing Constructive Trust, Removing Trustee, Appointing Temporary Trustee, Determining Title to Property, Compelling an Accounting and Elder Abuse filed 4-11-12 is set for hearing on 5-30-12.

	CI Report		Petitioners state: The applicable period for giving notice to be held on this matter is 30 days (Probate Code §17203). Good cause exists for shortening time for giving notice to two (2) days because the trust estate owns a valuable residence which has not been insured during the time ERICA YANNETH CORTES has been acting as the trustee. In addition, the decedent died owning multiple vehicles. The insurance on two of the vehicles will lapse 4-16-12 and the status of the insurance on the others is unknown.

	FTB Notice		Applicants' attorney Jeffrey Pape has communicated by phone with Ms. Cortes' attorney Joel Murillo, who informed Mr. Pape that he had power of attorney to act on the trustee's behalf and would accept service of process on behalf of Ms. Cortes. Mr. Murillo said he would consider agreeing to a neutral trustee such as Bruce Bickel, but did not commit to it. Mr. Murillo was informed that Applicants would be moving the Court ex parte to shorten time for the Petition for Immediate Appointment of a Temporary Trustee.
Petitioners pray for an order shortening the time for which notice of the hearing on the Petition for Immediate Appointment of Temporary Trustee must be given from 30 days to two (2) days.			Reviewed by: skc Reviewed on: 4-24-12 Updates: Recommendation: File 16 - Bill

NEEDS/PROBLEMS/COMMENTS:

Note: The Petition for Immediate Appointment of a Temporary Trustee filed on 4-16-12 remains set for 5-30-12.

Examiner notes that the matter before the Court on this date (4-30-12) is the Application for Order Shortening Time for service, not the appointment of a temporary trustee. *As such, Examiner has not reviewed the Petition for Immediate Appointment of Temporary Trustee except with reference to this application to shorten time for notice.*

1. Probate Code §17203(a) requires 30 days' notice on all trustees and beneficiaries. §17203(b) also requires 30 days' notice to other interest persons whose right, title, or interest would be affected by the petition. The Court may not shorten time for giving notice under (b).

It appears Petitioner is requesting to shorten time for notice to the Trustee only under (a), and not to any other parties. Is this correct? Need clarification.

Examiner notes that the Petition for Immediate Appointment of Temporary Trustee does not list the names and addresses of each person entitled to notice of the petition pursuant to Probate Code §17201. If this petition is to be considered separately from the Petition for Order Determining Validity, etc., it must meet the requirements of §17201.

Examiner further notes that this application does not change the hearing date on the Petition for Immediate Appointment of a Temporary Trustee from 5-30-12. If it is the intent to request a sooner hearing date, information on the other persons entitled to notice is necessary, as it may be necessary to shorten time for their notice also, if possible, and subject to the restriction under §17203(b).

2. Petitioner states that Mr. Murillo informed Mr. Pape that he had a power of attorney to act on the trustee's behalf and he would accept service of process on behalf of Ms. Cortes.

An agent under power of attorney cannot act for a person in the person's fiduciary capacity, such as trustee, including receipt of service of process.

Further, Probate Code §1214 and Cal. Rules of Court 7.51 require direct notice in probate proceedings.

Therefore, direct notice to the trustee is required.

3. Need proposed order.
